## INSTRUCTIONS

There are 4 steps to completing the **COACH MANAGER PROGRAM.™**

**Step 1: Answer each question.** If the statement is true, fill in the square. If not, leave it blank until you've done what it takes. Be rigorous; be a hard grader. If the item does not apply or will never be true for you, fill it in anyway. Give yourself credit. (You may do this with up to 5 items.) And, feel free to rewrite or reword up to 5 of the items in this program to better suit you, your needs and your life.

**Step 2: Summarize each section.** Add up the number of filled in squares for each of the 10 sections and write those amounts where indicated. Then add up all 10 sections and write the current total in the box on the first page of this form.

**Step 3: Color in the Progress Chart on the first page.** If you have 5 squares filled in the Integrity section, color in the bottom 5 boxes, and so on. Always start from the bottom up. The goal is to have the entire chart filled in. This will indicate how strong your Personal Foundation is. In the meantime, you have a current picture of how you are doing in each of the 10 areas.

**Step 4: Keep playing until all boxes are filled in.** This process takes between 6 months - 5 years, but you can do it!! Use your coach or advisor to assist you. And check back quarterly for maintenance.
